

AUTUMN/WINTER BOWLS

The Winter Program will commence on **Monday 2nd MAY, 2022.**

Nominated and Selected Triples will be held on Mondays commencing on **2nd May at 12.00p.m.** Every endeavour will be made to make up teams of triples.

As a last resort one or two pairs may be formed to make up even teams in an endeavour to give everyone a game.

If the organizers have insufficient numbers to make even teams then the last team and/or listed spares entered may not get to play.

Daytime Social Bowls will be held on Thursdays and Saturdays. These will be in **Selected** format only. All players listed prior to 11.00a.m. will be guaranteed a game. A late entrant will be accepted if it helps to create an even number of members for all teams.

The type of game and team composition played on these days will be determined by the day's organizers because the numbers of players will not always permit triples to be played. **The starting time will be 12.00p.m.** on each day.

The very successful **Thursday Night Bowls** will also be conducted as an alternative for club members as per previous years.

If entries are not sufficient in the opinion of each day's organizers then the games scheduled can be cancelled.

There is a very comprehensive and varied Social Bowls program on offer to our players. Please take the opportunity to participate. They are competitive and fun days which club members enjoy.
