Message from the coach

To all playing members

A big thank you to all members that have attended practice sessions which I must say have been well attend all season.

Congratulations to all the weekend and midweek teams who made the finals. A great effort by all.

With those teams playing in the finals lets all get behind them and give them all the support we can.

Practice on Thursdays will continue throughout the final series for everyone wishing to attend.

Go Monty

Let us find a way.

Ray Jansen

Head Coach
